Again you (and your team) did an astonishing CIO day, even in times of crisis the impact of the CIO day is undisputable for the CIO ! Especially the quality, e.g. the number of CIO's attending was impressive. The VIP diner was unsurpassed, the quality of the food and the hosting was superb! We have met with lots of top CIOs' of customers, to strengthen our relationship and prospects, to build relationship with. Already we have follow-up meetings planned.
